ARSTYL® Wall Panel SQUARE honored at the MUUZ INTERNATIONAL AWARDS 2016 in Paris !

The Muuz International Awards (MIAW) are organized by the ArchiDesignclub in partnership with Muuz and d'a magazine. Every year, they intend to identify and reward the most outstanding new products for architecture.

For the edition 2016, more than 2500 products from 600 manufacturers have been studied by the Muuz Magazine's editorial staff and classified in the following categories : Building, Materials, Furniture, Lighting, Outdoor, Bath.

The MIAW 2016 honored 33 products representing manufacturers and designers from over 15 countries.

NMC, nominated in the category « Construction » with its product ARSTYL Wall Panels, is proud to announce being the winner of an award !

NMC is a specialist in the extrusion of thermoplastic foam, with a strong international presence through 12 production plants and 21 sales offices in Europe. NMC products are used in a wide range of applications, such as technical insulation, interior and exterior decoration, as well as in packaging, sports, leisure activities and industry. NMC generated a turnover of 200 million in 2013, and it currently employs 1,200 people in Europe.
